Approval of List of Fees for Oklahoma Open Records Act Requests.

Background Effective October 1, 2004, the Board established a list of fees applicable to Oklahoma Open Records Act requests. The fees mirrored those of the City of Oklahoma City. The fee schedule did not clearly outline a procedure for where requests should be filed.

To more efficiently serve the public, COTPA is amending the current Open Records Request Policy to direct all open records requests to the Administrator's Office. The amendment also reflects an amended fee schedule that matches an amended fee schedule adopted by the City of Oklahoma City in September of 2006.
